

LaLa...

the development of a wonderful brood cow

LaLa had a very aggressive appetite and did not need any pampering. She has transmitted these traits to her daughters and granddaughters. Most of the records on her 10 daughters producing over 40,000M were made in freestall environments.

Solid-Gold Mountain LaLa and Daughters

L to R: Golden-Oaks Win Lovabull-ET VG-85, Golden-Oaks Lavender-ET EX-90 ExMs, Golden-Oaks Gibbon Lisa-ET VG-88, Ms Solid-Gold Cash Loxy-ET VG-87, Miss Solid-Gold LL Lash-ET VG-89 ExMs, Solid-Gold Sand Lark VG-88, Solid-Gold Mountain LaLa EX-90 ExMs

10 Daughters of Solid Gold Mountain LaLa over 40,000M!!!

in four different herds in four different states!

Is there another cow with this accomplishment?

Herd	Name	Sire	Classification	Record	Days	Milk	Fat %	Fat lbs.	Protein	% Protein	lbs.
